PreventBlindness.org/SwingForeSight

Founded in 1908, the nation's leading volunteer eye health and safety organization is dedicated to preventing blindness and saving sight. Focused on promoting a continuum of vision care through all life stages, Prevent Blindness touches the lives of millions of people each year by promoting eye health, safety, early detection and treatment.

Prevent Blindness strives to maximize your corporate exposure through our promotional and advertising outlets before, during and after the outing. We offer a variety of sponsorship opportunities, including Hole Sponsor, Lunch Sponsor and more. Participation in the outing supports the sight-saving programs of Prevent Blindness.

Panther Lake is everything you could want in a golf course (To learn more, visit www.ocngolf.com). Playing over rolling meadows, through native pines, around and over wetlands, lakes, and up and down elevation changes of up to 60 feet, it is first and foremost a visual delight. Panther Lake offers some of the best examples of natural beauty that Orlando area golf courses have to offer. One of the highlights is that there is no development on or around the course – a Florida golf course with no homes! You will likely encounter many native species of birds and wildlife during your round, which will be enjoyed in the most tranquil of settings. Every hole on Panther Lake is unique and requires something different from your shot making repertoire. The variety in design is evident in the way no two holes play alike.
